

Support Teams

Religion that God our Father accepts as pure and faultless is this:
to look after orphans and widows in their distress
James 1:27

our mission

To create awareness for orphans, and provide resources for all people to be involved in orphan care and support for foster care and adoption families.

Fellowship of the Parks has many families who have answered God's call to care for the fatherless. We realize opening your home to a child is a major decision and commitment. You are not alone. We would like to offer you support and love on your journey in any way possible. We are here for you.
